

بشهندسين
Leading Lights in E&E Engineering

Dr. Eng. Fadhel Albasri

Assistant Professor

ACHIEVEMENTS

Ph.D in Power Systems Protection

More than 22 journal and conference papers

بشهندسين
Leading Lights in E&E Engineering

Dr. Eng. S. Ali Almosawi
Associate Professor

ACHIEVEMENTS

Ph.D in Power Electronics - Imperial College

Over 50 journals and conferences papers

His contributions to the field have been widely recognized within the academic and engineering communities.

بشهندسين
Leading Lights in E&E Engineering

Dr. Eng. Salwa Basserah

Assistant Professor

ACHIEVEMENTS

Patent Holder in Electrical Machine Design

Joined Bosch as Senior Development Engineer for Electrical Machines

Received "Outstanding Paper Award" at IEEE-ICEMS2010 in Korea

بشہندسین
Leading Lights in E&E Engineering

Eng. Hameed Shehab
Electrical Engineer

ACHIEVEMENTS

B.Sc. in Electrical Engineering with Second Class Honour
Segment Leader in Specialist in Rotating Machinery and Transformer

بشہندسین

Leading Lights in E&E Engineering

Eng. Hasan Haider

Electrical Engineer

ACHIEVEMENTS

B.Sc. in Electrical Engineering with First Class Honour

M.Sc. in Power Systems Engineering with First Class Honour

Associate Electrical Engineer - Bapco Refining

بشهندسين

Leading Lights in E&E Engineering

Eng. Ehsan Alhawaj

Electronics Engineer

ACHIEVEMENTS

B.Sc. in Electronics Engineering

M.Sc. in Power Systems Engineering - Student

Received the Best Inventor Award from South Korea

Achieved Several National and International Awards

بشهندسين
Leading Lights in E&E Engineering

Eng. Jaafar Ahmed
Electronics Engineer

ACHIEVEMENTS

B.Sc. in Electronics Engineering with Excellence
Corporate Sales Account Manager at STC Bahrain
CISCO & AWS Certified
