Mechanics

- RetaShow is open to **Quezon City residents, at least 18 years of age,** who are fashion enthusiasts, talented in designing and sewing their own clothes/garments, and also passionate about the environment.

- All participants will be asked to submit their QCitizen Card or Barangay Certificate as proof of age and residency.

- All submissions must be original.

- Participants must submit a concept design with the following information:

  - Title of Design with brief explanation
  - List of materials to be used **(e.g., used pants, used shirt, old zipper, laces, string, wire, glue, etc.)**
  - Only proposed designs composed of at least **70% RECYCLED CLOTH OR FABRIC** will be accepted.
  - Designs should not include other recyclable materials such as plastics, metals, glass, or paper.

- The outfit should be practical, comfortable, and suitable for casual and/or everyday wear, which may include business casual, smart casual, or similar styles.

- Once shortlisted, designers are requested to submit a short video showing the process and materials used.

- To register, fill out the Google Form **(https://rb.gy/mczgs8)** by **March 5, 2024.**
